[github.com/awilliams](https://github.com/awilliams)  
Madrid, Spain

---

## Profile

I'm a professional Ruby developer, focused mostly on Rails, but am able to work from the server layer up to the client-side code. I truly enjoy programming, especially in Ruby, and am an active member of the local Madrid Ruby community. In my free time I enjoy working on side projects to learn new techniques and languages, such as Android or Redis.

---

## Technical

Ruby	Rails	Linux
Python	Sinatra	Capistrano
Java	Backbone	Chef
Javascript	Jquery	RVM
PHP	SVN & Git	Amazon Web Services

---

## Experience

### Cabify

[cabify.com](http://cabify.com)

October 2013 - Present
